A Note from Your Teacher:

For the next two weeks, students will be reading a historical fiction book from a series entitled "Meet Addy" in ELA class. The story surrounds a 9 year old slave girl and her family's escape to freedom.

Throughout the year I've noticed a great deal of intrigue about slavery and current social justice issues among many of my students. They have a genuine desire to know their history and it is my belief that this book will quench that thirst. Parents, I encourage you to talk with your students about this great book as we move through it next week.
